OMP Grand Prix Helmet Snell SA2005 and FIA 8858-2002 rated helmet features a lightweight composite shell with a very narrow eyeport. The face shield can be replaced with the peak visor from the Speed helmet for closed cockpits. Chin vents, three adjustable crown vents, and three exhaust vents allow airflow. Pre-drilled for HANS® attachment posts (sold separately). Stocked in white; flat black and gloss black available by special order for an additional \$21. Specify size: Extra Small through Extra-Extra Large.

OMP Grand Prix Helmet Part No. 2777-Size-White \$699.00
Peak Visor to convert to open-face Part No. OMP-SC036 \$89.00
Rear Spoiler, white, self-adhesive Part No. OMP-SC053 \$89.00

OMP Speed Helmet Snell SA2005 and FIA 8858-2002 rated helmet designed for closed cockpit use features a lightweight composite shell with a chin bar. The peak visor can be replaced with a face shield from the Grand Prix helmet (requires addition of OMP-SC044 Pivot Kit, sold separately). Chin and forehead vents allow airflow, and a port in the chin bar allows drinking straw access. Pre-drilled for HANS® attachment posts (sold separately). Available in white only. Specify size: Extra Small through Extra-Extra Large.

OMP Speed Helmet Part No. 2776-Size-White \$699.00
Pivot Kit to attach face shield Part No. OMP-SC044 \$42.00
 See Page 15 for a list of available OMP face shields for Speed and Grand Prix helmets.

Helmet Bags

The Simpson Deluxe Helmet Bag is roomy and tough with a plush fleece interior. The hatbox-style opening allows plenty of room for your helmet with or without a HANS® device. Zippered exterior pocket for small items spans the entire outside panel. Measures 17" tall x 11.5" wide x 10" deep. Black with one red panel.

Simpson Deluxe Helmet Bag . Part No. 2143 \$29.99

The Bell Vented Helmet Bag is lined with a soft fleece material to protect your helmet and shield while a mesh insert allows airflow around your helmet. Sized to fit all Bell and Pyrotec racing helmets. Includes a removable shoulder strap. Black with silk-screened Bell logo.

Bell Vented Helmet Bag .. Part No. 2132 \$17.99

Bell Drawstring Helmet Bag This lightweight drawstring bag is included with many Bell helmets but will fit most other brands. (May not fit helmets with wicker bills, spoilers, or forced air ports.) Economical protection for your custom paint job. Red flannel cloth with black Bell logo.

Bell Drawstring Helmet Bag .. Part No. 2147 \$8.99

Bell Large HANS® Helmet Bag This roomy bag from Bell holds and protects both your helmet and your HANS® device. Three outside pockets hold small items. One external mesh pocket can hold damp items while protecting the other items inside. Includes removable shoulder strap. Generous 11.5" wide x 18.5" long x 14.5" tall. Black with red trim.

Bell HANS® Helmet Bag Part No. 2148-002 \$34.99

The OMP HANS® Helmet Bag protects your helmet and HANS® device in a smaller package than most others. The front panel zips open on three sides for easy access while zippered pockets on each side hold small items. Includes a shoulder strap and a zippered, padded pouch for your spare shield. Measures 16" high x 11" wide x 12" deep with a padded carry handle. Black and grey with yellow OMP logo.

OMP HANS® Bag Part No. OMP-ORA2961 .. \$79.00

HANS® Device Helmet Bag This roomy bag from HANS® has a large padded main compartment for your helmet plus a separate zippered compartment below to keep your HANS® device protected but easily accessible. Exterior Velcro®-closed pockets are provided on both sides to hold gloves, log books, or other small items. Features padded carry handles and a semi-rigid floor. Measures 18" high x 12" wide x 16" long. Black with embroidered HANS® logo.

HANS® Device Helmet Bag Part No. 9584 \$89.99
