*Bell introduced the SRV friction-lock system as a rolling production change in 2005-06. Early SA05 helmets all have the original Kam-Lok detent system, but later versions of the SA05 helmets will have the SRV system. The SRV shield has a smooth curved slot in front of the pivot. Call us or visit our website for more information.

- Pivot Hardware Kit.... Part No. 2195.....\$25.00

Storage and Protection

Helmet Shield Storage Sleeve

Pegasus Exclusive!

Here is a low cost solution to expensive helmet shields getting scratched while being stored in your gear bag. Our soft felt sleeve has a drawstring closure at one end to provide a secure way to protect your spare helmet shields. Universal design fits most shields.

Helmet Shield Storage Sleeve.....Part No. 2136..... \$5.99

Cedar-Filled Glove Dogs, Shoe Dogs, and Helmet Dog

These pouches are filled with aromatic cedar to pull moisture and odors out of your gloves, shoes, or helmet. Soft felt construction won't snag delicate knit interiors. Glove Dogs feature an anatomic fist shape to keep gloves from drying in an unnatural, crumpled heap in your gear bag. Glove Dogs and Shoe Dogs are tethered to keep pairs together.

- Shoe Dogs, fits one pair.....Part No. 2099-001..... \$11.99
- Glove Dogs, fits one pair.....Part No. 2099-002..... \$11.99
- Helmet Dog, single.....Part No. 2099-003..... \$13.99

Shock Doctor Power Dry Gear Bags and Blowers

Power Dry Blower Part No. SD-001

Power Dry Dual Port Attachment Part No. SD-011

Below: Power Dry Coach Duffle Bag Part No. SD-202

No more putting on sweaty, clammy gear on Sunday morning! The **Shock Doctor Power Dry Blowers** attach to a variety of Shock Doctor Power Dry bags and attachments (each sold separately) to circulate heated, ozonated air through your gear to dry and deodorize it. Simply connect the blower, plug it in, and turn on the timer. In a few hours your gear is dry and ready for use. The standard Power Dry Blower has a 120VAC, 60Hz, 200W blower fan with an automatic timer and separate heat and ozone controls.

- Shock Doctor Power Dry Blower.....Part No. SD-001..... \$99.99
- Shock Doctor Power Dry High Output Blower with Base...Part No. SD-002..... \$149.99
- Features a stronger fan, higher heat settings, and an extended base for stability.
- Shock Doctor Power Dry Base for standard Blower.....Part No. SD-009..... \$9.99
- Adds stability when used with Dual Port or Octopus attachments; not needed with bags.
- Shock Doctor Power Dry Garment Bag.....Part No. SD-230..... \$99.99
- Hang driver's suit, socks, gloves and underwear to dry in this lightweight, expanding bag.
- Shock Doctor Power Dry Coach Duffle Bag.....Part No. SD-202..... \$69.99
- This large duffle bag has special interior dividers to create pathways through separate compartments for proper airflow to dry all of your gear. Measures 26" x 17" x 14".
- Shock Doctor Power Dry Dual Port Attachment.....Part No. SD-011..... \$19.99
- Two ports concentrate blower output deep into shoes or helmet for quick drying.
- Shock Doctor Power Dry Octopus Attachment.....Part No. SD-010..... \$24.99
- Four extendable,posable hoses allow you to dry a pair of gloves and a pair of shoes.

See page 13 for Shock Doctor Power Dry helmet bags!
