

## Nomex® Driving Shoes

### Simpson Driving Shoes

**All drivers please note:**  
Simpson shoes tend to run 1/2 size larger to accommodate Nomex® socks.

**Simpson Driving Shoes** are durable, comfortable, good looking and great to wear while driving. The uppers have a suede leather exterior and are totally lined with Nomex®. The soles are molded to give good traction on all pedal surfaces. Available in high top or low top in whole and half sizes. These shoes are cut to be approximately a D width, however, since they are laced almost down to the toe, they will accommodate a wide range of foot widths. Available in black, blue and red. SFI 3.3/5 approved.
