Please Note: Due to the large size of racing seats, a Large Package Surcharge will be charged for each seat shipped.

Simpson Child Safety Seat

The **Simpson Child Safety Seat** meets or exceeds all applicable U.S. motor vehicle safety standards. The seat can be used with the included 5 point harness system (children 20-40 lbs.) or with your vehicle's combination lap/shoulder belt (children 30-100 lbs.) as a booster seat. Extra thick padding provides a high comfort level, and the quick-adjust harness makes it easy to buckle in. The high back style lends support for child's back and head. (**Note:** This seat is designed to be installed facing forward only. The child must be old enough to support his or her head.) The seat features black machine washable upholstery, with gray accents and red and white Simpson logos.
