Use this chart for SA2005 OMP Grand Prix and Speed Helmets ONLY!

OMP Grand Prix Helmet Snell SA2005 and FIA 8858-2002 rated helmet features a lightweight composite shell with a very narrow eyeport. The face shield can be replaced with the peak visor from the Speed helmet for closed cockpits. Chin vents, three adjustable crown vents, and three exhaust vents allow airflow. Pre-drilled for HANS® attachment posts (sold separately). Stocked in white; flat black and gloss black are also available by special order. Specify size: X-Small through XX-Large.

- OMP Grand Prix Helmet, White Part No. 2777-Size-White \$649.00
- OMP Grand Prix Helmet, Flat or Gloss Black Part No. 2777-Size-Color \$720.00
- Peak Visor to convert to open-face Part No. OMP-SC036 \$89.00
- Rear Spoiler, white, self-adhesive Part No. OMP-SC053 \$89.00

OMP Speed Helmet Snell SA2005 and FIA 8858-2002 rated helmet designed for closed cockpit use features a lightweight composite shell with a chin bar. The peak visor can be replaced with a face shield from the Grand Prix helmet (requires addition of OMP-SC044 Pivot Kit, sold separately). Chin and forehead vents allow airflow, and a port in the chin bar allows drinking straw access. Pre-drilled for HANS® attachment posts (sold separately). Available in white only. Specify size: X-Small through XX-Large.

- OMP Speed Helmet Part No. 2776-Size-White \$649.00
 - Pivot Kit to attach face shield Part No. OMP-SC044 \$42.00
- See Page 17 for a list of available OMP face shields for Speed and Grand Prix helmets.

Pyrotec Full-Face Helmet This SA2005 rated helmet features one of the largest eyeports available in a full-faced helmet. It comes with a 1/8" thick polycarbonate shield that uses standard Bell tear-offs (Part No. 2251, see page 17) and has full ventilation for added cooling and reduced fogging. Available in black or white. Specify size: X-Small through XX-Large.

- Pyrotec Helmet Part No. 2247-Sz-Col . . \$249.99

Pyrotec Carbon Fiber Helmet (not shown) Finally, a true carbon fiber helmet at a club racer price! This SA2005 rated helmet has all the great features of the Pyrotec Full-Face Helmet at left, but with a genuine carbon fiber shell. Uses the same shield and tear-offs as the standard full-face helmet. Available in carbon fiber finish only. Specify size: X-Small through XX-Large.

- Pyrotec Carbon Helmet . . Part No. 2476-Size. . . \$689.00

Pyrotec Open-Face Helmet This inexpensive open-face helmet features a premium hand-laminated lightweight shell with indentations on the sides for your goggles strap. Includes a black visor with integral anti-glare strip. This helmet is not designed to accept a face shield. Available in white; black available by special order. Specify size: X-Small through XX-Large.

- Pyrotec Open Helmet. . . Part No. 2475-Sz-Col . . \$148.99
