

OMP Driving Suits

OMP Defender Suit

Display your national pride on your suit! The **OMP Defender** is a 2-layer driver's suit patterned after Olympic warm-up suits. The outer layer is sateen-finish Nomex® and the inner layer is a soft knit fire retardant material. USA suit is blue with white and red trim. Italia suit is red with white and green trim. Each suit has the national flag embroidered on the left shoulder and the country name across the chest in white letters. Features front thigh pockets and arm bellows for comfort. FIA homologated (8856-2000). Available in sizes 46 through 62, see chart below. Made in Italy.

OMP First 2 Suit

The **OMP First 2** is one of the lowest-priced FIA-approved Nomex® suits on the market today. You won't find a better value! The 2-layer suit is constructed of an outer layer of matte (not shiny) Nomex® with an inner layer of soft knit Nomex®. Knit bellows around the shoulders offer flexibility and cooling. Understated vertical quilting creates a solid, unbroken field for sponsor patches. The OMP logo has been moved to the side of the belt to give you more room for embroidery. FIA homologated (8856-2000). Available in blue, black or red. Sizes 46 through 64, see chart below. Made in Italy.

OMP Re-Act Suit

You will not find a lighter 3-layer FIA driving suit! The **OMP Re-Act** has an outer layer of shiny Nomex® and two inner layers of new, innovative fire retardant fabrics which reduce weight dramatically. Knit panels around the shoulders, in the small of the back, and in the hips allow freedom of movement and ventilation. Soft knit collar and short belt offer even greater comfort. The OMP logo has been moved to the side of the belt to make room for embroidery. FIA homologated (8856-2000). Available in black, blue, or red with white graphics, or silver with black graphics and cuffs. Sizes 46 through 64, see chart below. Made in Italy.

OMP Tecnica Lady Suit

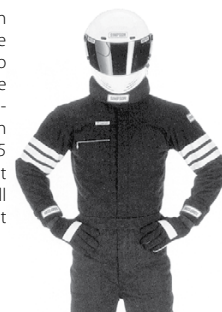

Finally, an off-the-rack driving suit designed to fit a woman comfortably and safely! The **OMP Tecnica Lady** suit is an FIA approved (8856-2000) 3-layer Nomex® suit cut specifically for a woman's figure. No more trying to get by with a man's suit that squeezes you in some areas and sags in others. Features precurved arms for driving comfort and elastic bellows around the shoulders and at the lower back for added flexibility and ventilation. Instead of bulky hip pockets, a single pocket is located on the calf for easy access when seated in the car. Box quilted. Available in shiny Blue or shiny Red with contrasting sides and inner arm area in shiny Grey Nomex®. Sizes 42 to 48; see size chart below. Made in Italy. Special Order only.

Simpson Driving Suits

The **Simpson Double Layer Standard Suit** is an SFI-rated two-layer suit. The outer layer of Gabardine Nomex® III has a matte, non-shiny finish that stands up to abuse like nothing else. This suit is a particular favorite of dirt-track racers because it stands up to repeated laundering and scrubbing. Features front patch pockets on each leg and knit elastic wrist and ankle cuffs. SFI 3.2A/5 rated (fire resistant underwear not required with this suit for SCCA Club Racing). Available in red, blue or black; all colors have three white stripes on each sleeve. See chart below for sizing.
