Shown with
SD-001 Blower
(sold separately)

Power Dry Dual Port
Attachment
Part No. SD-011

No more putting on sweaty, clammy gear! The **Shock Doctor Power Dry Blowers** attach to a variety of Shock Doctor Power Dry bags and attachments (each sold separately) to circulate heated, ozonated air through your gear to dry and deodorize it. Simply connect the blower, plug it in, and turn on the timer. In a few hours your gear is dry and ready for use. The standard Power Dry Blower has a 120VAC, 60Hz, 200W blower fan with an automatic timer and separate heat and ozone controls. The High Output blower has a stronger fan, higher heat settings, and an extended base for stability.

Shock Doctor Power Dry Blower Part No. SD-001 \$99.99

Shock Doctor Power Dry High Output Blower with Base Part No. SD-002 \$149.99

Features a stronger fan, higher heat settings, and an extended base for stability.

Shock Doctor Power Dry Base for standard Blower Part No. SD-009 \$9.99

Adds stability when used with Dual Port or Octopus attachments; not needed with bags.

The **Power Dry Helmet Bags** accept either blower above to dry and deodorize your helmet. Bags are available to fit a helmet with or without a HANS® Device. Both styles feature a soft lining, a padded carry handle, and clips to attach to the Racer Backpack (sold separately) to keep all of your gear together. Black and grey with gold logo.

Shock Doctor Power Dry Helmet Bag Part No. SD-200 \$99.99

Shock Doctor Power Dry HANS® Bag Part No. SD-201 \$99.99

The **Racer Backpack** features clips to attach either Power Dry Helmet Bag above to keep your gear together but still easy to handle. Huge 2000 cubic inch capacity is divided into 12 separate compartments, including many small pockets for items that are easily lost but demand immediate access like keys, logbook, or glasses. Includes a removable zippered folio for business essentials. Black and grey with gold logo.

Shock Doctor Racer Backpack Part No. SD-260 \$99.99

The **Power Dry Garment Bag** allows you to dry your suit, gloves, and underwear together. Lightweight, expanding bag has clips for gloves, socks, balaclava, etc. Accepts a blower on the bottom or on the front. Black with gold logo.

Shock Doctor Power Dry Garment Bag Part No. SD-230 \$99.99

The **Fastback Roller Bag** features special interior dividers to create pathways through separate compartments for proper air flow through all of your gear. The dividers also act as shelves when the bag is upright for easy access to everything. Pockets keep clean items separate, and a mesh "shuttle bag" zips out for carrying essentials. Measures 30" x 18" x 14" (5300 cubic inch capacity). Black and grey with gold logo.

Shock Doctor Power Dry Fastback Roller Bag Part No. SD-250 \$169.99

The **Coach Duffle Bag** is a huge carry-all with the same special interior dividers to direct air flow through your gear. It is big enough for your helmet, suit, shoes, gloves, underwear, even street clothes! Measures 26" x 17" x 14". Black with white logos.

Shock Doctor Power Dry Coach Duffle Bag Part No. SD-202 \$69.99

The **Dual Port Attachment** is designed to force air flow deep inside shoes, helmet, or gloves for quicker drying. The **Octopus Attachment** features four extendable, possible hoses to allow you to dry gloves and shoes at the same time.

Shock Doctor Power Dry Dual Port Attachment Part No. SD-011 \$19.99

Shock Doctor Power Dry Octopus Attachment Part No. SD-010 \$19.99

More Driver's Gear Bags

The **Simpson Trackside Gear Bag** will hold all of your gear, and more! Helmet, suits, underwear, shoes, gloves, street clothes – keep packing and there's still more room! In addition to a huge main compartment with adjustable dividers, several zippered pouches, and exterior D-rings for hanging even more gear, the Trackside Gear Bag includes a laundry bag and changing mat! Compression straps allow you to overstuff it and still close the heavy-duty zippers. Hard plastic wheels and multiple handles make it easy to maneuver. Measures 33.5" L x 16" W x 16.5" D.

Simpson Trackside Gear Bag
Part No. 2145 \$149.99

Simpson Super Duffle Bag Part No. 2140 \$39.99

The **Simpson Super Duffle Bag** is the perfect size to carry your helmet, driver's suit, shoes and gloves with plenty of room for extras. A large main compartment and easy-access end compartments keep everything organized. Ballistic nylon construction and heavy-duty hardware will stand up to years of abuse. Includes an adjustable shoulder strap with metal hardware. Measures 24" L x 11" W x 12" H. Black and grey with Simpson logos.

with grey trim, OMP logo and "tire marks" design.
OMP Travel Bag
Part No. OMP-ORA2952 \$149.00

The **OMP Travel Bag** is a large soft-sided rolling duffel loaded with features. The main compartment has two zippered pockets to keep everything organized. Each end has a large padded compartment, and mesh exterior pockets keep damp items separated from clean garments. Padded carry handles, a padded end handle, and a locking telescoping handle make it easy to handle. Includes adjustable shoulder strap with metal hardware. Measures 35" L x 13" W x 13" D. Black

OMP City Bag
Part No. OMP-ORA2950 \$85.00

The **OMP City Bag** is great as a messenger bag, laptop bag, or briefcase. The padded rear compartment has hold-down straps to keep your laptop secure. The main compartment can hold our Racing Data Notebook (sold separately), with two additional pockets for computer accessories. The front compartment is the right size for pads of lap timing sheets (sold separately), with pockets for pens, ID, and more. Exterior pockets and loops hold your cell phone, travel documents, and even your umbrella. Includes detachable shoulder strap. Measures 18" W x 13" H x 8" D. Black with grey trim and OMP logo.

supplied with OMP suits. Yellow with black trim and OMP logo graphics. Both bags measure 13.5" H x 18" L x 4" D.

Simpson Driving Suit Tote Part No. 2137 \$9.99
OMP Driving Suit Tote Part No. OMP-X/683/B \$18.00

These bags are a great way to protect your suit and keep your investment clean and dry. The **Simpson Driving Suit Tote** is made of durable woven nylon with a 2-piece carrying handle and a three-quarter wrap-around zipper. Black with white Simpson logo. The **OMP Driving Suit Tote** is the same zippered bag
