

# Racing Mirrors, Towing Mirrors, and Headlight Covers

## Longacre Clamp-On Mirrors

This easy-to-install convex interior mirror mounts to your roll bar with an anodized aluminum clamp-on bracket at each end. The 0.5"-2.5" bracket is slotted, allowing easy adjustment. The 2.0"-5.5" bracket is drilled for ten different positions. Kits include 2 clamp-on brackets, one mirror, and all hardware. "Mirror only" in chart below does not include hardware.

14 Inch Mirrors							
Roll Bar Dia.	Bracket Length	Complete Kit		Mirror Only		Brackets Only (pair)	
1.50"	0.5" - 2.5"	22535	\$59.99	22544	\$26.49	22539	\$38.99
	2.0" - 5.5"	22537	\$59.99	22544	\$26.49	22541	\$39.99
1.75"	0.5" - 2.5"	22534	\$59.99	22544	\$26.49	22538	\$38.99
	2.0" - 5.5"	22536	\$59.99	22544	\$26.49	22540	\$39.99

17 Inch Mirrors							
Roll Bar Dia.	Bracket Length	Complete Kit		Mirror Only		Brackets Only (pair)	
1.50"	0.5" - 2.5"	22531	\$69.99	22547	\$34.99	22539	\$38.99
	2.0" - 5.5"	22533	\$69.99	22547	\$34.99	22541	\$39.99
1.75"	0.5" - 2.5"	22530	\$69.99	22547	\$34.99	22538	\$38.99
	2.0" - 5.5"	22532	\$69.99	22547	\$34.99	22540	\$39.99

14" Mirror Kit with Short Brackets for 1.5" Roll Bar  
Part No. 22535

Short Bracket (Top)  
Long Bracket (Bottom)

## Longacre Clamp-On Spot Mirrors

This 3.75" diameter convex mirror mounts easily on the driver or passenger side of your roll cage for extra side vision. The mirror is easily adjustable, but the bracket clamps solidly in place so it won't vibrate loose during the race. Compact, lightweight design can be placed entirely inside the bodywork for less aerodynamic drag.

**Longacre 3.75" Spot Mirror with Bolt-On Roll Bar Bracket**  
For 1.5" Diameter Bar ..... Part No. 22549... \$44.99  
For 1.75" Diameter Bar ..... Part No. 22548... \$44.99

## Wink Multi-Panel Wide-Angle Mirror

**Wink Mirror** Eliminate blind spots and get up to 300% more rear vision without distorting the distance to objects behind you. Five separate flat panels combine to form a continuous, wide-angle image. Wink mirrors are so effective they have been prescribed by doctors for drivers with neck pain! Mounting brackets are supplied or you can use two of the windshield mount kits to attach to the windshield glass with the same adhesive used by auto manufacturers on OEM mirrors.

**Wink 5 Panel Mirror, 36" long** ..... Part No. 5101 ..... \$26.99  
**Optional Windshield Mount Kit, each (2 req'd)** ..... Part No. 5103 ..... \$9.99

## Towing Mirrors

Our **Universal Towing Mirror** is strong, aerodynamic, and a great looking addition to any tow vehicle. It will fit virtually any car, truck, or van on the road today, with no tools required to install. Three adjustable cushioned feet press against your vehicle's mirror housing and two adjustable nylon straps have plastic hooks to hold the top and bottom edges of the housing. Just set the feet against the back of your vehicle's mirror, hook the clamps to the top and bottom of the housing, turn the knob to tighten the straps, and you're set to go. To release, simply pull out the knob to release the straps. Mirror surface measures 4.5" across and is fully adjustable within the black plastic housing. Fits left or right side. Sold individually; available in black only.

**Universal Towing Mirror, each** ..... Part No. 5146 ..... \$39.99

**2 inch Hot Spot Mirrors** Decrease blind spots on any vehicle with these stick-on round wide angle mirrors. Sold individually.

**2" Hot Spot Wide-Angle Mirror, each** ..... Part No. 5169-Mirror ..... \$2.99

## Headlight Covers and Decals

Our **Carbon Fiber Headlight Covers** are made by the leading American manufacturer of composites for motorsports. These hand-made parts feature the same high quality materials and attention to detail that has made them a favorite of ALMS, Daytona Prototypes, F2000, BMW Motorsports and other top teams and manufacturers. These covers are constructed of 2 x 2 weave carbon fiber. They are not plastic with a carbon fiber pattern printed on. Choose 6 or 7 inch diameter. Sold individually.

**Carbon Fiber Headlight Cover, Plain, specify size** ..... Part No. CF005-Size... \$199.99

Our **Venturi-Style Covers** feature the same construction as the solid covers above, but with an intake opening in the center. A flange is provided for attaching a 3" diameter hose (hose sold separately). Choose 6 or 7 inch diameter. Sold individually.

**Carbon Fiber Headlight Cover, Venturi Style, specify size** .. Part No. CF006-Size... \$209.99

Our **Spun Aluminum Headlight Covers** add a great finishing touch to your vintage race car! The high-quality, lightweight covers replace most 7" round sealed-beam headlights and are held in place by your stock headlight retainer rings. The durable all-weather

**Headlight Simulator Decals** are printed in full color to simulate the classic Lucas PL-700 Tri-pod series 7" round headlight as found on countless vintage British cars. These decals are a classy way to dress up your standard headlight covers and can be applied to just about any 7" round head lamp blanking plate. Applying these sturdy vinyl decals to a curved headlight cover is easily accomplished by carefully cutting the decal along the head lamp "bars" and overlapping the decal sections slightly to conform to the surface.

**Spun Aluminum 7" Headlight Covers, pair** ..... Part No. 3610-007 ..... \$31.99  
**Headlight Simulator Decals, pair** ..... Part No. 3610-002 ..... \$21.99
